

# Association des Licences Bio-MAD

## JEEP

A weekend every year, everyone comes back to create a network and help students find a career

## SYSADMIN

Maintain a website to help students create a network and ask any questions to former students

## PARTNERSHIPS & SUBVENTIONS

Ask for partners and get subventions from institutions, ie : Sorbonne Université, Town hall

## CONTEXT

Station Biologique de Roscoff is a research center that depends on Sorbonne University but its students don't have the advantages of Parisian universities. in terms of subsidies. The goals of ALBM are to compensate this lack of subsidies.

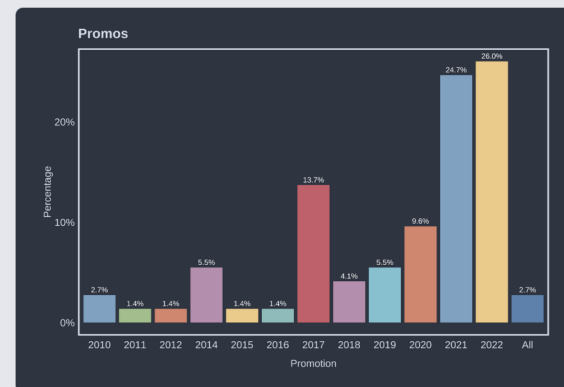

## ASK ME ANYTHING

Invite former students to come and talk with students

## FINANCIAL SUPPORT

The association provides financial support for students in need for various events within the university

Evann Dreumont  
Alice Dissoubray  
Quentin Pointeau  
Timothée Klein  
Baptiste Arrix-Pouget  
Antoine Rey
